Spring Registration Open

[Registration is open](#) for our Developmental and Academy County programs. All players born between December 2013—April 2020 are accepted into the Developmental program. The Developmental Spring season begins with practices in early March and games begin in mid March. Most teams practice twice a week and play games on Saturdays. The fee is \$100 if registration is completed by Sunday, February 4 and \$125 if registration is completed February 5 or later. **Registration closes February 12.** Players are randomly assigned to teams and we are unable to honor specific team/coach requests. We try to accommodate special requests for parent scheduling, but cannot guarantee them.

Players registering for our Academy County program will have tryouts during the weeks of February 13 and February 24. The specific schedule with dates, times, and locations will be posted on the web when available. All players must attend tryouts, even if they are currently on an Academy County team.

Coaches Needed

By volunteering to be a head coach in our Developmental program, you get to set your practice day and time, get access to The Coaching Manual to help your plan your training sessions, and are provided a refund of your registration fee after the season when you return your equipment. Volunteering also helps us keep team sizes small, ensuring each child gets more personal training and optimal playing time. You can volunteer and complete the background check as you register your child for the Spring program.

The Academy County program is seeking coaches for the 2015G and 2011B teams. By being a coach, you get to set your practice day and time, get access to The Coaching Manual to help plan your training sessions, and are provided a waiver of registration fees for your child. If you are interested in coaching one of these teams, please contact [Pedro Gamez](#).

Congratulations

Congratulations to Coach Wale Ojumu upon earning his Class C National Coaching License. A Class C license is the highest you can achieve at the amateur level and demonstrates Coach Wale's commitment to players at Bowie FC.
